Reflections

Rashtriya Military School, Dholpur

April
2025

As we stride towards the much-awaited summer vacations, the month of April bore testimony to the vibrant spirit and determined pursuits of our cadets. From securing laurels at national-level shooting competition and debating platform to embracing traditions through Ram Navami celebrations, our cadets have exemplified discipline, teamwork, and excellence. Guest lectures, motivational interactions with alumni, and the remarkable success of 21 cadets clearing the UPSC NDA written examination further reaffirm our commitment to grooming future leaders.
