Rashtriya Military School, Dholpur

May
2025

May was a month of excellence and proud milestones at RMS Dholpur. Our cadets dazzled at the IPSC Shooting and Squash Championships in Indore, proving their mettle on national platforms. The insightful Parent-Teacher Meet on 3rd May strengthened our shared vision, just before the school embraced a well-earned summer break. The rigorous selection process of Assistant Masters marks our resolve for academic excellence. Wishing everyone a refreshing summer ahead!
