

Reflections

Rashtriya Military School, Dholpur

November 2025 proved to be a month of meaningful accomplishments and memorable moments at Rashtriya Military School, Dholpur. Our cadets demonstrated commendable performance at the Bengaluru MUN and the NCC Camp at Alwar, while the campus proudly welcomed alumni celebrating their Silver and Golden Jubilees. Educational tours for Classes VI to XI to esteemed institutions and historic sites enriched learning beyond the classroom, and faculty attended a CBSE training programme to enhance professional competencies.

The month also witnessed leadership interactions, aero-modelling sessions, energetic Children's Day celebrations, and a dignified farewell to Major (Dr) Dinesh Ghotia. Together, these activities reflected the school's commitment to holistic growth, teamwork, and a strong sense of belonging.
