

Reflections

Rashtriya Military School, Dholpur

December 2025 was a month of focused academic effort and balanced all-round development at Rashtriya Military School, Dholpur. The conduct of PT-3 examinations and the Parent-Teacher Meet reinforced academic discipline and highlighted the importance of stronger parental involvement in shaping the holistic growth of cadets. Enthusiastic participation in the Inter-House Cross-Country and Cricket Competitions reflected the cadets' spirit of teamwork, resilience, and sportsmanship. Participation in the Principals' Conclave 2025-26 at Amity University, Gwalior, provided valuable professional insights for institutional advancement. As the year came to an end, cadets proceeded on their much-awaited Winter Vacations.

Lt Col Amit Sharma, Principal

National Level Shooting Achievement: RMS Dholpur
10 out of 12 cadets qualifying for
the National Shooting Championship;
