

Reflections

Rashtriya Military School, Dholpur

March
2026

March has been a month of remarkable transition and triumph at the School. From the rigorous academic focus of annual examinations and technical inspection to the vibrant camaraderie of Holi and Navaratri, our community has balanced discipline with celebration. We take immense pride in our Cadets' leadership pursuits at the MU 20 Boot Camp and the innovative milestones achieved by our staff. As we bid a poignant farewell to the Class XII of 2026, we celebrate the enduring spirit of excellence that defines our institution.
