Rashtriya Military School, Dholpur

July
2026

July 2026 was a month of pride, achievement and purposeful learning. The School celebrated its 64th Raising Day, reaffirming its enduring legacy of character, leadership and service. Across the month, cadets participated in 25+ academic, sporting, cultural, leadership and community engagement activities, including 4 inter-house competitions, 4 major sports events, 4 educational outreach programmes and national-level IPSC participation. The inauguration of the restored Vintage Swimming Pool, SPIC MACAY cultural programme, faculty development initiatives and the success of four cadets in the NDA-157 SSB further reflected our commitment to holistic education.
